May 28 Farmers Market Cancelled

2020 Season to Open June 25

(Greencastle, PA) In accordance with guidelines provided by the PA Department of Health and the CDC, Borough Council has decided to cancel the May 28 Farmers Market, postponing the season opening at this time until June 25.

“There are many unknowns regarding the Governor’s Re-Opening Order and all safety precautions involved. We do not want to jeopardize the safety of our vendors or customers, or taint the market’s atmosphere in any way by placing restrictions that may or not be feasible or cause unnecessary frustration. Borough staff will monitor the ongoing safety precautions to analyze the feasibility of a June Market,” said Borough Manager Lorraine Hohl.

Accordingly, the Borough has extended the deadline to submit Farmers Market applications. Returning vendors can submit their application with supporting documentation and \$30 registration fee (payable by check) to the Borough of Greencastle. Any vendor who has not yet submitted an application may still do so following the guidelines outlined on our website. Applications can be sent via USPS, placed in the afterhours drop box at the Borough office, or emailed to lhohl@greencastlepa.gov and will be processed once payment has been received and the application reviewed.

Once the current State of Emergency has been lifted by Governor Wolf, the Farmers Market will resume. “We look forward to our community coming together once again to support local business, healthy lifestyles and community comradery,” said Hohl. “The Borough also gratefully thanks its 2020 season sponsors, F&M Trust and Tastykake.”
